TO WHOM IT MAY CONCERN

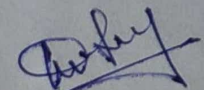

The School building of Highland Public School Village Ruhru P.O. Sudher Tehsil Dharamshala District Kangra (HP) was constructed during the year 2017-18 as per the report of the Principal of concerned school. As per the school authorities the architectural drawing of the school building drawing submitted to this office only. The above building has been inspected by the undersigned alongwith the Junior Engineer on dated 25.03.2023. The building has neither been designed been supervised by this department and no structural seined was supplied by the school authorities and hence it is not possible to analyses and check the structural stability specifically from earthquake point of view of the existing building as hidden dimension and reinforcement could not be verified.

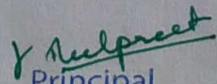

However as per visual inspection / physical appearance the building appear to be safe under static loads at present. But this department will not be responsible for any loss of life of property etc, if this structure falls under any circumstances no officer/official of this office will attend /plead in any Hon'ble court in case of any dispute of miss-happening regarding the structure failure of this building. therefore, the safety certificate is hereby issued for the period 2023-24 on the basis of physical appearance of building only.
